The Lord Prawn Story

Lord Prawn was established over 43 years ago. First on the Durban beachfront and then relocated to Umhlanga Rocks, surely the most beautiful stretch of landscape on the Dolphin Coast. Today, it is still under the same ownership and many of our staff from the first day, are still with us. Over the years we have prided ourselves in providing the highest quality, freshest fish and shellfish at realistic prices. We hope that this consistency shows through every time you visit us.

Thank you for your patronage and we look forward to seeing you again.
